YOUR PARTNER TO TAKE YOU FAR

The NAVIGO range

All the versatility of a midibus,
all the benefits of a coach

With over 30,000 units sold around the world, the NAVIGO has built a formidable reputation among passenger transport operators for its durability, comfort and versatility.

The **NAVIGO** is adapted to all kinds of routes, providing all the advantages of a coach – from regular intercity lines to daily school routes and day trips for tourists. As a result, it meets the requirements of transport operators looking for an effective solution for multiple mobility challenges.

In addition, the tried and tested reliability of this minibus, alongside its low maintenance cost, means that it represents excellent value for money for operators seeking long-term profitability.

NAVIGO U

Diesel Engine

The **NAVIGO U** combines all the advantages of a coach with reduced operating costs, for an intercity route passenger transport solution that quickly pays for itself. It is available in three different lengths (7.80 m, 8.40 m and 9.20 m), and offers capacity for up to **41 seated passengers**, ensuring a high level of comfort for all.

EURO 6 Diesel
XTL- and HVO-Compatible

- **Maximum power: 151 kW (210 HP)**
- **Maximum torque: 832 Nm**
- **Capacity to length ratio**
- **Short length (compact)**
- **Durability**
- **High level of driver and passenger comfort**
- **Smooth ride**

To improve accessibility, the **NAVIGO U** can optionally be fitted with a **third door** and a lifting platform, facilitating access for wheelchair users (**UFR**). This flexible and highly reliable coach is also entirely suitable for use as a shuttle bus, as well as for all route types. Its fuel consumption is also reduced, thanks to its 9-speed automatic gearbox.
